

## OSA IGDTUW Student Chapter conducted

# OPTIX MOVIE MANIA

**Date: 08/11/23**

**Mode: Offline**

**Venue: IGDTUW**

### INTRODUCTION:

Optica Student Chapter, IGDTUW, organized a movie screening event namely 'OPTIX MOVIE MANIA' on 8 November 2023, in IGDTUW campus. The theme for the event was Science and Technology. The selected movie was 'Barefoot Gen'.

### BRIEF OF THE SESSION:

The event began with many eager students wanting to join the movie mania. The movie chosen for the event was 'Barefoot Gen', which, as anticipated, managed to capture the attention of all the students and got them engaged. The movie fit right into the Science and Technology theme of the event. The movie depicts World War II in Japan from a child's point of view, revolving around the events surrounding the bombing of Hiroshima and the main character's first hand experience of the bomb. The students praised the choice of movie, calling it one-of-a-kind, and said it to be a unique experience. Various thoughts and ideas related to the movie were discussed, and much was left for the students'

contemplation.

## **NUMBER OF ATTENDEES:**

The event was a success, with about 80 students attending the event with utmost enthusiasm.

## **OVERALL IMPACT:**

The movie was a perfect fit as it made the students aware about technology, how to use it wisely, and how it can be dangerous if not in good hands. The movie led a lot of students to reflect on the actions of our predecessors and how it affected our world negatively. It proved to be as informative as it was interesting, and appealed to the moral values and the judgment of the viewers. It ultimately allowed the viewers to ponder on how they can learn from their mistakes and avoid repeating all their wrongdoings. Overall, the event led to the intrapersonal growth of the attendees.

## **SOME GLIMPSES FROM THE SESSION:**
